*Pediatric Ophthalmology
Adult Strabismus Surgery*

Xiaolin Zhang, M.D.
Cornea Refractive, Cataract Surgery

David Gordon, O.D.
*Comprehensive Optometry
Contact Lenses*

To my patients:

It has been a wonderful and gratifying experience to have practiced ophthalmology in this community for 47 years with the Lynn Eye Medical Group. Initially I was brought in by Drs. Cowan and Kim. Later my associates were Drs. Butera, Cooper, Hymas, Corwin and others.

It is with mixed emotions that I have decided to retire, especially in this time of Covid crisis. However, I know I am leaving your care in excellent hands at the practice. Drs. Lynn Zhang, Roy Butera, and Devin Hymas are all general ophthalmologists and will have access to your records.

I will miss each and every one of you.

Best wishes for a long healthy life,

M. Gene Matzkin
